Founded in 2016, the company is located in Hefei, Anhui Province, and its main products include solar panels, solar inverters, photovoltaic systems, lithium batteries, gel batteries, and other solar products.

See Installation Guide for more details on sizing array strings. The highest input voltage is based on the open-circuit voltage of the array at the minimum design temperature. Active BMS communication is ...

The MateSolar All-In-One 60KWh Outdoor High Voltage Cabinet ESS integrates batteries, BMS, power conversion systems, and cooling into a single compact unit. This streamlined design reduces ...

The outdoor photovoltaic energy cabinet can provide reliable monitoring systems, photovoltaic, and battery systems. It is a unified power supply platform system that supports various AC and DC input ...

Combines high-voltage lithium battery packs, BMS, fire protection, power distribution, and cooling into a single, modular outdoor cabinet. Uses LiFePO4 batteries with high thermal stability, ...

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet.

With support for 200% PV oversizing and a maximum 40A DC input current, the Hybrid ESS Cabinet ensures high throughput for large-scale solar integration. Global MPP scanning maximizes energy ...

Product Features The ES2460P36 product primarily consists of a power battery cluster, a hybrid solar-storage inverter, a variable-frequency temperature control system, a precision suppression and ...

2025 Customizable 30-60kW Commercial Energy Storage Battery-cabinet-Lifepo4 Air Waterproof IP65 Anti-Corrosion Aluminum Frame

60kW Outdoor Photovoltaic Cabinet 2025 Model

Featuring a 60kW PCS paired with 129kWh of LiFePO4 battery storage, it delivers robust, efficient, and flexible energy management. This all-in-one cabinet design includes an integrated BMS and EMS, ...
