Does New Age sell outdoor kitchen cabinets?

New Age sells all kinds of prefabricated outdoor kitchen cabinets and more. You can purchase individual modules to complete your outdoor kitchen, or select from their pre-designed outdoor patio kitchen cabinet bundles. For the most part, these sets feature faux wood, aluminum, or stainless steel doors.

Are outdoor kitchen cabinets a disaster?

Even the most stylish outdoor kitchen cabinet ideas can lead to disaster if core design principles get overlooked. Three critical errors account for nearly 65% of expensive repairs - mistakes you can avoid with smart planning. Missing drip edges on cabinet overhangs invites water to creep into joints and seams.

What is the difference between indoor and outdoor generators?

As their names suggest, indoor and outdoor generators have a crucial difference -- installation location. Determining the ideal placement for your commercial generator will primarily come down to building safety and compliance ordinances. Organizations opt for outdoor generators under several specific circumstances.

Are Indoor generators a good choice for industrial applications?
