Elevate your project with premium motion and drive products, including electric motors, integrated motor solutions, and high-precision drive systems. Ideal for applications like automation, packaging, ...

This all-in-one cabinet offers maximum performance in a small space. It is fully equipped with LiFePO 4 battery modules, AC/DC inverter, liquid cooling, multi-level battery management system, solar ...

This Energy Storage Hybrid PCS Cabinet: A versatile solution for industrial and commercial energy storage. Seamlessly integrates grid-connected and off-grid modes, with bidirectional ACDC and ...

Since 1991, Magellan Power has specialised in designing and manufacturing high-reliability AC and DC power systems, purpose-built for Australia's harshest environments.

RELIABLE POWER SUPPLY 233 kWh outdoor-rated cabinet storage system All-in-one solution incl. direct solar electricity storage Automatic backup power for grid outages

Trusted by security installers and integrators across Australia, they provide reliable DC UPS, battery chargers, power supplies, enclosures and more, all engineered for Australian conditions.

Pure & modified sinewave inverters for off-grid, vehicle, and industrial use. Reliable DC/AC conversion with flexible mounts and power ratings in stock now.

Operating within a temperature range of -20 °C to 40 °C, it ensures reliable functionality in various environments. Additionally, autonomous functions are available upon request, promising a ...

Meticulously designed to deliver unparalleled reliability, efficiency, and high performance, our cabinets cater to diverse industries such as microgrids, renewable energy, and energy storage. Experience ...

Australian Power Storage Cabinet AC DC Integrated

We offer models to suit every scenario -- from compact base models to fully integrated systems with solar input, digital screens and heavy-duty terminals. Home of 12 Volt offers the largest range of ...
