How do I find all Austrian public tenders?

Get all tenders of the Austrian public sector at one place, regardless where they were originally published. With various filters and sorting mechanisms as well as an integrated full-text search you will find your tenders quickly. The USP indexes all available sources of tenders each and every day. Therefore, all the latest tenders are available.

Is 5G available in Austria?

5G is widely available in all provincial capitals, and according to the Austrian Broadband Atlas, more than half of all households were covered as of January 2021. Reports predict coverage of up to 90% by the end of 2025.

2. Are telecoms companies monetising 5G investments - or are the services provided to consumers at similar prices to 4G?

Who supports the 5G infrastructure PPP?

The 5G Infrastructure PPP and its website are supported by the 6GStart Project for the period May 2022 - Sept 2024. 6GStart is a support action project under the Horizon Europe Research Programme of the European Union. For more information visit the project website

What are 5G frequency auctions?

There have been two significant 5G frequency auctions. To encourage 5G deployment in rural areas, discounts were offered to leading network operators A1 Telekom, Hutchison Drei and Magenta Telekom, as well as smaller, regional companies. 5G spectrum was auctioned at significantly cheaper prices than LTE (4G) frequencies.
