## What is a C2 Battery Cabinet?

Ideal for small-scale UPS or inverter installations, the C2 offers a clean, professional look while providing maximum protection and easy access. Manufactured from durable, powder-coated steel, the C2 is built to ensure battery safety, ventilation, and security. Key Features: Certo Steel Battery Cabinets - Durable, Secure Storage for Battery Banks

### Does C2 have a battery?

High Compatibility: C2 comes with a standard 21700 battery but it is also compatible with a 18650 battery.

Smart and stable: With a built-in intelligent circuit, C2 emits a constant current to improve the beam stability.

Waterproof & durable: C2 has the IP68 waterproof rating and has passed the 1.5 m anti-drop test.

### What is a Certo Steel Battery Cabinet?

At Cooper Power, we supply the full range of Certo Steel Battery Cabinets, purpose-built for inverter and UPS battery storage. These rugged enclosures are designed to house anywhere from 1 to 40 x 100Ah batteries, making them ideal for residential, commercial, and industrial applications.

### How many batteries can a Certo cabinet hold?

These rugged enclosures are designed to house anywhere from 1 to 40 x 100Ah batteries, making them ideal for residential, commercial, and industrial applications. Certo cabinets combine strength, security, and ventilation in a sleek, powder-coated steel design--ensuring long-term protection for your energy storage investments.
