What is a Vanguard® outdoor weatherproof IP rated (IP54 to IP65) enclosure?

Our Vanguard® outdoor weatherproof IP Rated (IP54 to IP65) enclosures offer a modular product range in multi bay, multi height and multi depth options, with the flexibility to house a broad range of equipment in a variety of industry standard mounting formats.

What is an outdoor sprinkler controller cabinet with GFCI?

The outdoor sprinkler controller cabinet with GFCI converts an indoor sprinkler controller for outdoor use. The box is constructed with tough, weather- and UV-resistant ABS resin and features pre-drilled mounting holes for easy installation. The spacious interior accommodates a large variety of timers (sold separately).

Are Vanguard IP rated cabinets fully assembled?

Vanguard IP Rated cabinets are supplied fully assembled ready for immediate deployment.

What is an outdoor sprinkler control box?

An outdoor sprinkler control box shields the controller from rain, debris, vandalism and other threats. Our enclosures are made of materials like stainless steel that resist rust and corrosion so clients will be confident in their performance. SiteOne Landscape Supply has many sprinkler timer enclosure systems to fit the leading controller brands.

Wall mounted GuardShack enclosures are perfect for covering sprinkler controllers, and other valuable wall mounted assets.

Enclosures are fabricated out of Galvanized/CRCA Steel, CNC programmed, punched, bent, welded and Powder coated with highest quality standards as per the required Outdoor Standards.
