What is the Hainan free trade port law?

On 10 June 2021, the 29th meeting of the Standing Committee of the 13th National People's Congress passed the Hainan Free Trade Port Law of the People's Republic of China, which determined to establish and improve the Hainan Free Trade Port customs supervision special zone system with closed-off customs operations on the entire island.

When did Hainan become a free trade zone?

On December 18, the country launched island-wide special customs operations in Hainan, transforming the entire island into a high-standard free trade zone, encompassing not a single port or industrial park, but the whole island.

Is the Hainan free trade port a prototype for globalization?

But for those who understand that modern trade depends on digital trust and predictable compliance, the Hainan Free Trade Port represents something larger than a local reform -- it is a prototype for how globalization itself might function in the decades ahead. The author is chairman of America-China Partnership Foundation.

When did Hainan free trade port get a customs clearance?

On 5 January 2024, the inspection area for railway freight trains at Huairou South railway station -- the first railway customs clearance project of the Hainan Free Trade Port, built by the China Railway 25th Bureau Group -- was completed.
