What is the warranty on BMS products?

All BMS products have a 90-Day Limited Warranty. Any defective product must be returned to BMS with an itemized receipt as proof of purchase. Limited Warranty applies only to products that are returned within 90-days of the in-store purchase date. If a product is deemed defective by BMS, the customer will receive a replacement product.

What is the warranty period for the battery pack?

The warranty for the UH9050's battery pack is 5 years. The warranty for the accessories is 1 year. This warranty is only valid in the original country of purchase for a Product first purchased either in Australia or New Zealand. If a warranty claim is made, this warranty will not apply if the Product is found by Uniden to be damaged or not in compliance with the user manual.

What is BMS's return policy?

If the item is found to be working when reviewed, BMS will not cover the costs to return the item back to the customer. All Swan brand products made by BMS offer a complimentary 1-year limited warranty for any defects in materials and workmanship from the date of original retail purchase.

What happens if a product is deemed defective by BMS?

If a product is deemed defective by BMS, the customer will receive a replacement product. When available, your replacement product may come in a sealed generic package.
