List of power plants in Mozambique from OpenStreetMap

**Summary****Operation****Location****Overview****Construction****Change in ownership**  
The power station sells the energy it produces to the national utility company, Electricidade de Mo&#231;ambique, under a 25-year power purchase agreement. The natural gas that the plant burns to produce the electricity, is supplied by Matola Gas Company, another subsidiary of the Gigajoule Group. The electricity supplies (a) the city of Maputo (b) Maputo Province and (c) some is sold to the Southern African Power Pool. Plans are underway to expand the power station to 350 megawatts.

The Gigawatt power station was inaugurated by the President of the Republic, Filipe Nyusi, on February 19, 2016. Gigawatt is a Mozambican company that has developed, built, and operates a 120MW ...
