What is Huijue's home energy storage solution?

Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it caters to households of varying sizes. It reduces electricity bills and serves as emergency backup power, providing a seamless, intelligent, and one-stop energy solution.

Where are energy storage systems made?

It operates modern production bases totalling 350,000 square metres: one in Nantong, Jiangsu, specialising in customised design and manufacturing of energy storage systems; and another in Lianyungang, Jiangsu, focused on standardised production of energy storage systems.

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at the sites, reduce energy consumption, and reduce carbon emissions.

Who owns Huijue Smart Tower?

Established a wholly-owned subsidiary "Shanghai Huijie Technology Co., Ltd." to explore new areas of smart buildings, Established a wholly-owned subsidiary "Yangzhou Huijue Smart Tower Co., Ltd." to focus on intelligent tower facilities and engineering implementation.

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Huijue's Industrial and Commercial BESS are robust, scalable systems tailored for businesses seeking reliable energy storage. Our solutions integrate seamlessly into large-scale operations, supporting ...

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring ...

New energy storage HJ Group

Founded in 2002, Huijue Group is a leading innovator in energy storage technology, providing safe, efficient, and comprehensive energy storage solutions. Our offerings span residential, ...

Whether for commercial and industrial applications, residential energy storage systems, or complex microgrid solutions, HighJoule (HJ Group)'s products have been successfully deployed across ...

We manufacture a variety of new energy batteries and other energy storage equipment, we have professional technicians to provide you with installation and technical guidance.

Discover the HJ-SG-Xx Series Battery Container Energy Storage by Huijue Group. Comprehensive energy storage solutions with modular design, high-performance lithium iron phosphate batteries, ...

Highjoule's site energy storage solution delivers stable, efficient, and intelligent power for diverse application scenarios. Highjoule powers off-grid base stations with smart, stable, and green energy.

As a subsidiary of Highjoule Group, it provides customers with optimal energy storage system solutions and a full range of safe and efficient storage products, covering household energy storage systems, ...
