Who makes outdoor Telecom cabinets?

Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.

What is an outdoor telecom enclosure?

Our outdoor telecom enclosures support a wide range of telecommunications and infrastructure needs: Fiber Optic Networks: From compact fiber distribution units to high-capacity data center enclosures like the AP-Data with six slack frames, our cabinets manage dark-fiber volumes with organized cable management and secure slack storage.

How do I order a custom Telecom cabinet?

Browse our stock and give us a call at (904) 674-2976 or contact us online to order a customized cabinet to fit your specifications. Our team of experts is ready to help you find the ideal solution. We offer a variety of outdoor telecom cabinets and telecom boxes to fit your needs.

What are outdoor cabinet solutions?

Outdoor cabinet solutions are widely used in various sectors: Telecommunications: In telecommunications infrastructures, outdoor cabinets are used to protect base stations, network switches and other communication devices located outdoors.
